

MBF Child Safety Matters® is a comprehensive, evidence-based curriculum for elementary school students in grades K-5. The program educates and empowers children and all relevant adults with information and strategies to prevent, recognize, and respond appropriately to bullying, cyberbullying, all types of abuse, and digital abuse dangers.

The references used within *MBF Child Safety Matters* are audited regularly as part of our annual curriculum review. To learn more, please contact info@mbfpreventioneducation.org.
