PREVENTION EDUCATION PROGRAMS

MBF Prevention Education Programs are evidence-based trauma-informed, primary prevention programs (grades Pre-K– 12). They are comprehensive, fun, and engaging programs that educate and empower students with information and strategies to prevent, recognize, and respond appropriately to bullying, cyberbullying, all types of child abuse and exploitation, human trafficking, and digital dangers.

What We Do

- Remove obstacles and barriers to prevention education.
- Develop and provide evidence-based/trauma-informed personal safety curriculum.
- Educate parents, guardians, and caregivers with strategies, courses, and resources.
- Create safer communities for children and teens.

Our Impact:

- Over 22 million children and teens reached
- 10,000+ child advocates and ambassadors trained
- 42 states/territories and 7 countries
- Students demonstrated a 20% increase in knowledge and safety concepts after receiving the programs.
